PRESS STATEMENT

FOR IMMEDIATE RELEASE

SPECIAL VISIT BY CLIENTS' FAMILY TO PUSPEN IN CONJUNCTION WITH DEEPAVALI

National Anti-drugs Agency (NADA) allows special visit by families/keepers of clients who are currently under Treatment and Rehabilitation Program in Narcotics Addiction Rehabilitation Centres (PUSPEN) within the country in conjunction with the celebration of Deepavali 2021.

The visit has to obey the fixed standard operational procedure (SOP) of Pelan Pemulihan Negara (PPN) including to allow only individuals with completed two doses of vaccine within five days period starting 5 until 9 of November, 2021.

The face-to-face special visit is allowed in states which are in Phase 4 of PPN meanwhile other states which have not reached Phase 4 are only allowed for online meeting.

Each families/keepers have to arrange an appointment with PUSPEN staffs in order to avoid traffic, and ensuring the smoothness of NADA services and prevent the risk of Covid-19 spreading.

Application for appointment can be done via phone call; short message system (SMS), WhatsApp messaging application; letters or emails to Rehabilitation Officer involved.

Walk-in visits are prohibited completely during the pandemic. Further information can be obtained by contacting PUSPEN involved or by surfing NADA's official website at www.adk.gov.my

This special visit by families will give chance for families/keepers of clients to meet again and function as a therapeutic approach in supporting clients in the institution to always give their commitment in rehabilitation.
